

May 2026

I am so pleased that you have continued on in this with us, believing and proclaiming God's Message, from the day you heard it right up to the present. There has never been the slightest doubt in my mind that the God who started this great work in you would keep at it and bring it to a flourishing finish on the very day Christ Jesus appears. Phil 1:6 (MSG)

Dear Friends and Partners,

A few months ago, we reached out to our friends across the world to help Pastors Errol and Peggy James (see left photo above, with us) to rebuild their home in Jamaica after it was destroyed in Hurricane Melissa in October 2025. Because of your generosity the James family has been able to begin reconstruction (see right photo above).

We talked to Pastor Errol a few days ago and he sent some pictures of how far the work has progressed. Right now, they are having to take a break in their re-construction because they have utilized the funds that have come in for the project to date.

Will you partner with UVMI in giving your best gift so that Pastors Errol and Peggy can finish rebuilding their home, move in and be free continue their work of pastoring two churches in St. Anne's Parrish, Jamaica, and taking the Gospel throughout the Caribbean? (One church suffered significant damage during the hurricane and the other minimal damage.)

On behalf of Brother and Sister James we want to thank you in advance for stepping up to the plate and assisting them with finishing the great work the Lord has begun through you. No gift is too small. **Let's help Pastors Erroll and Peggy in Jamaica cross over the finish line!**

Despite the damage to the church building in St. Anne's Bay, church members continued to meet in a tent after the hurricane. We rejoice that they were able to return to services inside the church building about two months ago!

This picture is of Pastor Peggy (front right) with new believers who were recently baptized in the Caribbean Sea.

Together we are reaching the Unreached with the Love of Jesus!

Robert & Vicki Bush, UVMI Founders
